WILL YOU STAND WITH US?

The NAACP Legal Defense and Education Fund (LDF) has used the law as a powerful tool to open the doors of opportunity for African Americans, other people of color, women and the poor. LDF has won millions of dollars in back pay and thousands of jobs and promotions for federal employees and others victimized by discrimination. We need your support to maintain the gains of the past and expand them in the future.

The 50th anniversary of the Combined Federal Campaign

The Combined Federal Campaign [CFC] is the world's largest and most successful annual workplace charity campaign. More than 200 CFC campaigns throughout the country and internationally help to raise millions of dollars each year. Pledges made by Federal civilian, postal and military donors during the campaign season support eligible non-profit organizations that provide health and human service benefits throughout the world.

The mission of the CFC is to promote and support philanthropy through a program that is employee focused, cost-efficient, and effective in providing all federal employees the opportunity to improve the quality of life for all.

And federal civilian, postal and military donors always step up to help. In fact, despite a very tough economic year in 2010 and a drop in charitable giving across the country, Federal civilian, military and postal employees pledged more than \$281.5 million to the CFC. The amount raised was the second highest in the CFC's 50 year history and only less than half a percent below the record set in 2009 of \$282.6 million.

"The CFC has been a source of food, of warmth, of light, of medicine, of schoolbooks - a source of life. For countless Americans and people in need around the world, it has been like bedrock - supporting them, even if they don't know it's there," said OPM Director John Berry. "Our charities make sure the money is well spent, and that our donors can see the good they're doing - whether it's for the community center down the block, or a child halfway around the world."

"FCA got my game and me ready for life.,,"
