

## FUN IDEAS TO RAISE MONEY FOR

# CHARITY

### PRIZE DRAWING

Employees that pledge a minimum of \$1 are entered into a drawing for a day off of work or a gift card.

### SILENT AUCTION/WHITE ELEPHANT/BOOK SALE

Organize a scavenger hunt and send participants all around town. Charge a registration fee and offer extra tips and hints for different donation amounts.

### SPECIAL PARKING AWARD

Encourage employees to wear a jersey of their favorite team to your campaign kickoff. The entire event can be built around a sports theme and sports-related music can be played as they enter the room.

### GET THE BOSS INVOLVED

Schedule a reception post-campaign for employee donors where an executive leader will be on hand to personally thank them for their generosity. If the executive leader is of a certain level or stature, see if a photo station can be arranged where employees can have their picture snapped with him/her.

### OFFICE/CUBICLE DECORATING

Allow employees to decorate their cubicle/office to reflect their favorite nonprofit. Co-workers can vote on the most creative and a matching gift prize can be awarded for the employee to designate to their favorite nonprofit.

### TUG-OF-WAR OR A TEAM COMPETITION

Interdepartmental competition; each team pays an entry fee (which goes to a good cause) and the winning team wins a prize.
