Donation Guide

Relief for COVID-19

The coronavirus pandemic has pushed Multnomah Athletic Club into uncharted territory. MAC established its Emergency and Employee Assistance Fund (EEAF) to support its employees and their immediate families during times of significant financial hardship following a federally-declared Qualified Disaster.

Members and employees can contribute to the EEAF through America's Charities. It will manage and administer the EEAF, as well as accept employee applications for assistance. America's Charities is solely responsible for the review of all applications and funding decisions. Employees experiencing financial hardships due to the pandemic can apply for funding.

The EEAF is currently funded by contributions from both Multnomah Athletic Club, its members and members of the public. If you would like to make a donation to the EEAF, please click the link below.
